unless I have to."

BY had motored in from their newly purchased country seat at South Orange, N. J. Mr. Selby, once known in pugilistic circles as Kid McCoy, drooped gracefully on a divan in the parlor of the Hotel Astor last night as he told me with some enthusiasm of the plans be and the newest Mrs. Selby have formed to invade New York society by way of South Orange.

"Of course," said Mr. Selby, diffidently "I've been a fighter, and society and going to forget that in a would call 'classy. But Mrs. Selby says we are going into society, and Mrs. Selby is a very determined woman. You might say I'm going into the

with enthusiasm as he uttered the noble sentiment, and his manner, which

am not under guard, nor have I a nurse a woman seems somehow to interfere with the pugilistic idea of the domesor other keeper. I am free to go and tic proprieties, and I realized that the coy Mr. McCoy would have been conversationally less like his second syllable if Mrs. McCoy had been along.

"I am really related to Lord Hume | money, some with brains, some will confided the latest as- fists. What's the difference? But it's pirant for social honors, "and my uncle always a fight.
